FOR IMMEDIATE RELEASE

OVERHEAD DOOR CORPORATION APPOINTS JAMIE BYRNE VICE PRESIDENT OF SALES FOR OVERHEAD DOOR CHANNEL

LEWISVILLE, TEXAS (Dec. 8, 2015) – Overhead Door, the originator of the upward-lifting garage door is pleased to announce that Jamie Byrne will join the company in the Access Systems Division (ASD) as vice president of sales, Overhead Door channel. Byrne will report directly to Kelly Terry, president of ASD. He will lead and oversee the Overhead Door distributor channel, National Accounts and International Sales.

Most recently, Byrne was senior vice president of hard surfaces for Mohawk Industries, based in Dallas. At Mohawk, Byrne was responsible for continued growth and driving execution through strategic operating plans.

“Jamie brings a wealth of valuable experience to Overhead Door,” said Terry. “The division Jamie oversaw at Mohawk Industries is their fastest-growing business unit. Jamie was instrumental in increasing revenue and margin as well as restructuring the businesses’ go-to market-channel strategies.”

Prior to Mohawk, Byrne was the vice president of sales for Trane U.S. Inc. and American Standard HVAC, both based in Tyler, Texas. In these roles, he was responsible for providing strategic sales plans for continued growth and operated as a general manager with accountability for sales, channel and brand marketing, business development, after-market parts, and company-owned and independent distribution.

Byrne holds a Bachelor of Science from Duquesne University in Pittsburgh and completed the Wharton School of Business executive leadership program in Philadelphia.

About Overhead Door Corporation

Overhead Door Corporation, based in Dallas, Texas, is a leading manufacturer of doors and openers for residential, commercial, industrial and transportation applications. The company has five divisions: Access Systems Division (ASD), which features the Overhead Door and Wayne Dalton brands; The Genie Company, manufacturer of remote-controlled garage door opening systems; Horton Automatics, a manufacturer of automatic entrance systems; TODCO, the largest producer of truck doors for the transportation industry; and Creative Door Services, western Canada’s leader in providing door products and services to the residential, commercial and industrial markets. Overhead Door Corporation created the original overhead garage door in 1921 and the first electric garage door opener in 1926. Overhead Door now employs more than 3,500 people, has 22 manufacturing facilities, 78 regional sales and service and installation centers and more than 5,000 distributors and dealers that service national builders, national accounts, architects, general contractors and homeowners, as well as major retailers in the U.S. and Canada. Overhead Door Corporation is a subsidiary of Sanwa Holdings Corporation of Tokyo, Japan.
